---

has made a special gift to Tremendous Hearts to honor you on the occasion of

---

This donation provides mission critical support for Tremendous Hearts' work for and with vulnerable children in South Africa. Our mission is to provide highly-skilled, long-term volunteers to South African children's homes and other agencies that care for orphans and vulnerable children. Our aim is to improve the standard of care in children's homes and to increase the number of children who are able to transition out of residential care.
